

DAY MEETINGS AND PROGRAMS

November 28

Studio Time

10:00 A.M.

If anyone needs help finishing the Hapsburg Bookmarks, Vintage Scissor cases, or Holiday Crackers there will be someone to help you. Also if anyone needs help with Kathy Reese's project Judy Polic can help you. So bring that last thing you have to get done before the holidays and work on it.

Bring a project you are working on to share. It's fun to see what everyone is working on.

Remember to have your reservation and money into Chloe Pringle by Monday December 5th.
